## QUALITY POLICY

We, as **Hul-Brit Security** are totally committed to establish and implement a climate where resources and quality processes are continuously controlled by our Quality Management System (QMS) in order to meet our clients' expectations and needs.

We have aligned our QMS with management systems to **ISO 9001:2000** to achieve and satisfy our customer needs and quest for service excellence.

The Management team and I are totally committed to creating the correct environment in which all **Hul-Brit Security** personnel are empowered by providing training on an ongoing basis. This will enable **Hul-Brit Security** to provide careers to all personnel.

Our Management Team with their diverse experience assures a comprehensive, effective service tailored to meet our clients' needs.

We are extremely dedicated to ensure continuous improvement of **Hul-Brit Security** internal/external policies and quality management systems. To achieve this, audits of our G.M.S will be done on a regular basis. Corrective and preventative measures will be put in place and monitored regularly at Management review sessions.

We will form mutually beneficial relationships with other appropriate partners and customers that will enable us to achieve our goal to become a world class service provider.

With above measures in place and maintained, **Hul-Brit Security** will deliver a high class service to our customers.
